

III. COUNCIL MEETINGS

State regulation 401 KAR 4:220 (Section 5) provides requirements for public notices and public participation in the water management planning process. This chapter provides meeting dates, public notices and newspapers ads to verify compliance with this regulation.

A. Meeting dates, Public notices, Newspapers

The most recent NKADD Regional Water Supply Planning Council meeting was held February 11, 2002. Meeting notices were sent to the various members as well as advertised on the NKADD web site.

October 11, 2001 was the date of another Regional Water Supply Planning Council meeting. Notices were sent out for this meeting as well.
